AMENDMENT OF THE SPECIFICATION

Please delete the first unnumbered cover page the original English language translation of the PCT application.

On page 1 of the English language translation, please delete the title and insert the following new title:

A METHOD OF PURIFICATION OF HIGH-MOLECULAR COMPOUNDS BY MEANS OF AFFINITY MEMBRANE CHROMATOGRAPHY

Please insert new page 20 (attached) into the English language translation which includes the following paragraph:

ABSTRACT OF THE DISCLOSURE

The invention relates to a method for purifying and/or isolating high-molecular compounds, such as high-molecular proteins or protein-type compounds, contained in a solution or a suspension, by means of affinity chromatography using membranes containing metal ions.
